Rules of the Competition

1. One school cannot enroll more than two teams for this competition
2. Team selection is at the discretion of the school submitting applications and the hosting institute will not support team selection in any manner
3. The teams must consist of members who are currently studying in the respective school
4. Teams will be registered for the preliminary rounds on a first come first serve basis
5. In case the number of applicant teams exceed the capacity of the centre for which the school have applied, teams may be enrolled for the preliminary round at a different centre
6. No team/s will be allowed to enter the competition without participating in a preliminary round
7. Hosting institute is not responsible for providing lodging or transportation for teams qualifying for the Grand Finale
8. The judges' decision is final and non-appealable.
